Wand-erful fun!

A whole week of Worldly Wand-erful adventures awaits, starting with Rainforest building and crafting Marmalade sandwiches! Tuesday brings Fruit salad making, creative animal masks, and Rainbow socks craft. Mid-week, we'll conjure up delicious Smoothies, learn to make a boomerang, and experiment with rain cloud creations! Thursday is chilly fun with Snow cones (and eating them!), gorgeous snow paintings, and cool ice experiments. What more could we conjure? Come and find out!

We finish the week with a celebratory Party, a dazzling disco, and creative cake decorating.

Our early years trained staff know how to make your child's time safe and spell-binding at our holiday club for 2-10 year olds. Take a look at our video showcasing our pre-school site.
