Registration Fee

To secure your child's place at St George's Nursery, we charge a one-off £50 registration fee.

The registration fee covers the administration involved in setting up your child's place.

What's Included?

Our fees include high-quality childcare delivered by our qualified and caring team, supported by a broad range of learning resources and planned activities.

Children have daily access to our outdoor garden, encouraging physical development, exploration and learning through play in a safe and engaging environment.

Stretched Funding

The 15 or 30 hours isn't usually enough for parents and their work-life schedules. And many parents find it isn't enough for their children to have a consistent routine as well as to take full advantage of nursery life and all the activities that we offer.

Therefore, we provide both the funded 15 & 30 hours on a "stretched basis" across 52 weeks, allowing families to access funded hours evenly distributed throughout the year. By stretching the 15 or 30 hours across the whole year, parents will still be entitled to 570 (15 hours) or 1,140 (30 hours) funded hours over the year.
